SD-368B  
SD-518B

Attractive curved edges protected by strong plastic mouldings

Control panel with adjustable temperature

Low maintenance condenser (fan assisted) plus skin condenser for maximum efficiency

## Features

- Back of cabinet free from unsightly grilles
- Convenient drain hole and plug for defrost water
- Control panel with adjustable temperature
- Sliding glass lids with lock standard
- Attractive curved edges protected by strong plastic mouldings
- Curved easy-slide lids with handle grip
- Low maintenance condenser (fan assisted) plus skin condenser for maximum efficiency
- Baskets are included

## Optional Features

- Baskets with movable centre divider section
- Castors with brakes front and rear
- Four sides of branding
- Anti-mouse cable
- RFID

Curved easy-slide lids with handle grip

Convenient drain hole and plug for defrost water

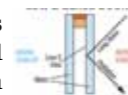

Curved easy-slide lids with handle grip

Sliding glass lids with lock standard

### GreenSense Features: Saving Energy and Reducing Lifetime Costs

**Low E Glass Lids**  
Provide insulation effect of triple glazing and reduced possibility of condensation

**High Efficiency Compressor**  
Better CoP gives reduced energy consumption. Leading Brand

**Hydrocarbon Natural Refrigerant**  
More efficient. Zero ODP (Ozone Depletion) Negligible GWP (Global Warming Potential)

**Up to 35% savings in annual running costs**

## Optional Features

German brand fan motors for technical superiority

LED temperature display

Castors with brakes front and rear

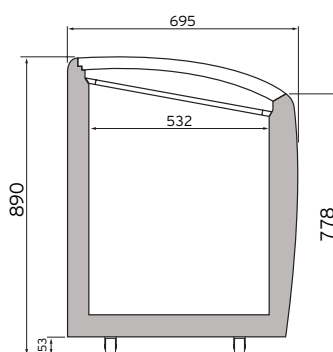

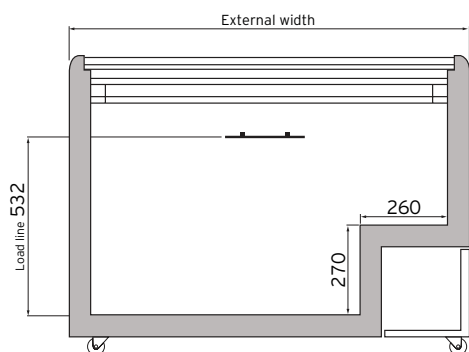

LED interior lighting
